| 8. <input type="checkbox"/> Immunization Registries Data Submission | Y/N | Exclusion offered |
| 9. <input type="checkbox"/> Syndromic Surveillance Data Submission  | Y/N | Exclusion offered |

\* Beginning in 2014, EPs, eligible hospitals, and CAHs will no longer be permitted to count an exclusion toward the minimum of 5 menu objectives on which they must report if there are other menu objectives which they can select. In other words, a provider cannot select a menu objective and claim an exclusion for it if there are other menu objectives they can meet.
